A S S I G N M E N T

I, Benjamin Gebhart, hereby declare that I am the sole inventor of the invention relating to NUCLEATE BOILING SURFACES FOR COOLING AND GAS GENERATION described in an application for Letters Patent of the United States of America.

The Trustees of the University of Pennsylvania, hereinafter referred to as the assignee, of Philadelphia, Pennsylvania, a non-profit corporation of Pennsylvania, is desirous of acquiring the entire right, title, and interest in and to the said inventions or improvements and in and to the said application, and in, to, and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

For and in consideration of the sum of One Dollar (\$1.00) to me in hand paid by said Trustees of the University of Pennsylvania, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Benjamin Gebhart have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over, to said assignee, the entire right, title, and interest in and to said inventions or improvements and said application and any and all continuations, divisions and renewals of and substitutes for said application, and in, to, and under any and all Letters Patent which may be granted on or as a result thereof in the United States of America and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, and assign to and authorize said assignee to file in my name applications for Letters Patent in all countries the same to be held and enjoyed by said assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued, or extended, as fully and entirely as the same would have been held and enjoyed by me had this Assignment, sale, and transfer not been made.

I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will each time request is made and without undue delay, execute and delivery all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letter Patent to said assignee, its successors, assigns, nominees or legal representatives, and I agree to communicate to said assignee, or to its nominee all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all
